

50th Annual Gene Harrington
Shootout Classic Hockey Tournament
November 18 – 20, 2022

50th Annual Shootout Classic
(Please read and distribute to parents)

Congratulations on your acceptance to the Gene Harrington Shootout Classic Hockey Tournament. This is your official tournament guide. This guide includes your tournament schedule, hotel assignment, directions to the hotels and rinks, tournament format, and some of the rule differences between USA Hockey and Hockey Canada. We look forward to seeing you in Niagara Falls/Buffalo, NY.

The objective of the Gene Harrington Tournaments hasn't changed throughout its 50-year history. Kids play between 50-100 games per year, and well over 1000 in their amateur careers. Most of these games will long be forgotten as they mature into adulthood. Our goal is making this weekend unforgettable by providing opportunities to have fun both on and off the ice. On the ice you will be given a unique opportunity to play teams of equal caliber that you are unfamiliar with, from across the USA and Canada. Off the ice you will be a welcomed guest at our hotels who have been hosting our group for 49 years and have a terrific attitude when it comes to allowing your kids to have fun while looking out for their safety.

Tournament registration upon arrival at the rink

Upon arriving at the rink, you will need to register your team at the tournament desk, which is in the main lobby area of the arena. Locker room keys (car keys required to secure room key) and score sheets will be available here. The Tournament Director does not require that teams provide their official roster when checking since it has already been provided when you registered but you should always have a copy on hand during the tournament just in case a protest occurs. If you have any questions regarding rules, structure, etc., look for the tournament director or staff member. **(THEY WILL BE WEARING GENE HARRINGTON BLUE JACKETS)**

Tournament Games – we guarantee each team a minimum of four games. Tournament games begin Friday 11/18/2022 at 8:00a.m., and ends on Sunday 11/20/2022 at 6:45p.m. As stated upon your acceptance, all teams must be able to play as earlier as 7:00 a.m. on Friday and as late as 6:45 p.m. on Sunday. **Consequently, please do not ask for a scheduling change upon receipt of your official tournament guide.**

Tournament Ice Rinks- the rink locations are as follows.

Most of our facilities have two rinks, a pro shop, snack bar, video games, space heaters in rinks, and plenty of parking.

Buffalo RiverWorks

359 Ganson St., Buffalo, NY 14203 (716) 342-2292

Buffalo RiverWorks the city's newest premier waterfront, sports, and entertainment complex along the banks of the Buffalo River. It features 2 outdoor ice rinks covered by a metal pavilion.

Hyde Park Ice Pavilion

911 Robbins Drive, Niagara Falls, NY. (716) 285-0715

Cornerstone Ice Arena

1 Grigg Lewis Way, Lockport, NY 14094 (716) 438-7698

North Town Center

1615 Amherst Manor Drive, Williamsville, NY 14221 (716) 631-7555

Niagara University Dwyer Arena

University Drive, Niagara Falls, NY 14305 (716) 286-8782

The Classic Rink
41 Riley Street East Aurora, NY 14052 (716) 805-7582

OUR PAST

On January 1, 2008, history was made in Buffalo, NY, as Ralph Wilson Stadium hosted the first-ever outdoor NHL game in the United States. The Winter Classic put the Buffalo Sabres up against the Pittsburgh Penguins before record-setting crowd of 71,217.

The Aurora Ice Association purchased the ice-making equipment from the NHL, and with the support of hundreds of passionate volunteers, private donations and corporate support, a tribute to this historic event is nestled in the Village of East Aurora.

OUR PRESENT

The Classic Rink has become a true asset to not only [East Aurora](#), but also the entire Western New York Community. Since opening in the fall of 2008, the venue has added a pavilion-style roof, locker rooms and a warming hut for guests.

Trophies – each team advancing to the championship game receives individual trophies. There are also championship and runner-up team trophies.

Referees – **We do not hand pick our referees. The local USA Hockey registrar controls referee assignments. (Head referee)** All referees are affiliated and trained by USA Hockey. We recommend using the referees for official answers to questions regarding rules of play. **Referees' decisions are final.** As a sanctioned USA Hockey Tournament, the tournament director or staff members cannot overrule a decision that was made by a referee during game play.

Tournament Rules – **The tournament is sanctioned by USA Hockey**, consequently USA Hockey rules will apply. For tournament rules/format etc., speak to a tournament director, and for game rules please speak to your referee. We suggest that all Canadian teams prior to their first game meet with the referees for a briefing of the rules (i.e. no tolerance rule, game misconduct for offensive language on and off the ice, no red line used, shorthanded icing rule, two-line pass is allowed, new offside rule, new checking rule, checking from behind etc...). Tournament directors may also assist you on major rule differences.

Programs/Souvenirs - Our souvenirs include pins, hockey necklaces, personalized tournament shirt, sweatshirts. We also have an onsite professional photographer whose staff will be capturing all the action and is available for private team or individual photo shoots.

Adult Theme: Free Beer and Entertainment

Friday November 18th from 9:00pm to 1:00am at the Sheraton at the Falls & Hotel M

The Tournament would like to invite all parents and coaches to attend a special gathering. The party will be held at the **Sheraton at the Falls & Hotel M**. To keep the party lively we will be providing complimentary beer and entertainment. Please be prepared to sing to your heart's content, as the DJ will take Karaoke request throughout the evening. Directions to the Sheraton at the Falls and Hotel M are provided below. **All tournament guests are welcome.**

Tournament Pizza Party

Gene Harrington Hockey Tournaments offers two options for hosting your pizza party.

• **Order take-out to be delivered to your hotel**

Upon check-in, you will receive a locker-room key in exchange for a set of car keys. You will also receive an envelope that contains one pizza voucher and the tournament rules. For those teams that prefer to host the party at their hotel the voucher can be redeemed at one of the Pizzeria locations listed below. The vouchers entitle you to one free sheet pizza compliments of Gene Harrington Hockey Tournaments.

For all Niagara Falls, NY and Ontario based hotels please use the following Pizzeria

Sammy's Pizzeria

1400 Hyde Park Blvd, Niagara Falls, NY

[716-297-8442](tel:716-297-8442)

For their Menu, please visit their website @ [Sammy's Pizzeria Niagara Falls - \(sammyspizzeria.co\)](http://sammyspizzeria.co)

Your voucher does not work with online orders and must be provided at time of delivery. Sammy's also has large seating area which can accommodate your entire team, but you must call to book a reservation. Let them know you are a Gene Harrington Tournament Guest.

Host your Pizza Party at Hyde Park Ice Pavilion

For all local teams or if you are staying in a Canadian based property schedule your pizza party at Hyde Park Ice Pavilion

If you are staying outside the area, commuting from home, or would rather have your pizza party at Hyde Park Ice Pavilion then please click on the pizza pie found at the bottom of the tournament welcome page. Here is the link: (http://www.nahockey.com/tournament_guide/). If you have not entered the password to open this page it is **GENO**, in all CAPS. We allow up to 3 teams per 2-hour blocks. Blocks that have already been booked by 3 teams will no longer be offered when you are making your reservation. Space is limited so we encourage you to reserve your spot right away. Once you make your reservation you will no longer be eligible for a pizza voucher. However, you will receive 1 free sheet pizza at the rink compliments of Gene Harrington Hockey Tournaments.

Please make certain to check-in 1 hour in advance of your reservation at the Hyde Park Ice Pavilion's snack bar and be prepared to place your entire order.

Local Restaurant's & Shopping - there are several restaurants and shopping centers in the Niagara Falls area. Restaurant's we recommend are Macris (Italian), Fortuna's (Italian), The Como (Italian), Hard Rock Café (American), T.G.I. Fridays (American), and Rain Forest Café (American). While in town, don't forget to try our famous Buffalo Chicken Wings. If shopping is on your agenda, we recommend the Factory Outlet Mall (stores such as Polo, Guess, Levi, Burberry, Pfaltzgraff, Nautica, and much more) and the Rainbow Center Mall. This will be convenient for anyone who needs to do more Christmas shopping.

The Niagara Region is busy during the tournament weekend, so it is highly recommended that you plan and book reservations before arriving. Here are the links to the restaurants listed above:

Macris - <http://www.macrisitaliangrille.com/>

Fortuna's - <http://www.fortunas.biz>

The Como - <http://comorestaurant.com/>

Hard Rock Café - <http://www.hardrock.com/cafes/niagara-falls-usa/>

T.G.I. Fridays - <http://www.tgifridays.com/>

Rain Forest Café - <http://www.rainforestcafe.com/locations.asp?st=ny>

2022 - 23 TRAVEL GUIDE

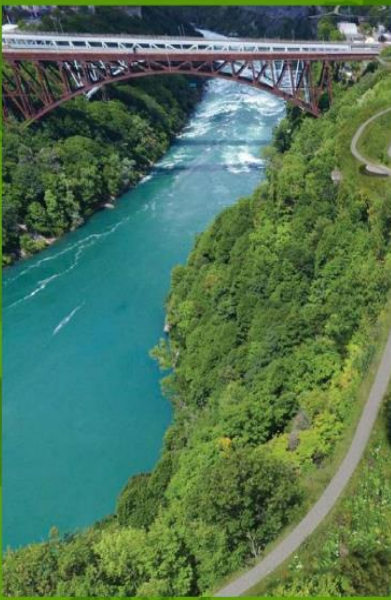

NIAGARA FALLS[®]

USA

*Venture
IN
To Adventure*

<https://www.niagarafallsusa.com/>

The newly-restored **Gorgeview** area is the largest expansion to Niagara Falls State Park since its creation in 1885. The fully-accessible ribbon of green space connects Whirlpool, DeVeaux Woods, and Devil's Hole State Parks, and features picnic areas and scenic overlooks.

itineraries

WINTER

Experience the splendor of the frosted Falls during the winter months, when the snow and ice turn the park into a magical wonderland.

Photo credit NYSOPRHP

THE CAVE OF THE WINDS beckons brave adventurers to stand within feet of the mighty Falls on this abbreviated gorge trip.

Free **SNOWSHOE RENTALS** offer a unique way to explore Niagara Falls State Park and have fun in the snow.

And perhaps one of the most awe-inspiring natural wonders you'll ever see: the **FROZEN FALLS**. You won't want to miss this phenomenon.

Afterwards, warm up with a hot chocolate and a bite to eat, then witness the colorful nightly illumination of the Falls.

HISTORY

Niagara Falls is overflowing with natural beauty—and with history. Immerse yourself in the region's rich past at these notable sites.

Photo credit NYSOPRHP

✓ **NIKOLA TESLA MONUMENT:** Gifted by Yugoslavia in 1976, the nine-foot bronze statue is located on Goat Island, and pays homage to the famed inventor.

SCHOELLKOPF POWER PLANT RUINS: Take an elevator into the Niagara Gorge and discover the remains of this hydroelectric power station that sustained a catastrophic collapse in 1956.

NIK WALLENDEN MONUMENT: Commemorating his historic high-wire walk over Niagara Falls in 2012, a section of the actual 2-inch wire cable is on display near Terrapin Point.

OAKWOOD CEMETERY: Throughout the years, daredevils have challenged the Falls and the raging rapids. Here, the Stunter's Section memorializes those individuals, including Annie Edson Taylor.

NATURE

There's no better place to connect with the great outdoors than in Niagara Falls. Here, you'll find myriad ways to move through nature in all four seasons.

The **NIAGARA RIVER CORRIDOR** is designated as an Important Bird Area (IBA), supporting thousands of wintering gull and waterfowl species.

From easy to challenging routes, the **NIAGARA GORGE TRAIL SYSTEM** offers some of the best hiking and biking trails.

As a result of the mist from the Falls, kaleidoscopic **RAINBOWS** can commonly be seen from the many viewing areas at the park.

Dine at **TOP OF THE FALLS RESTAURANT** and soak in panoramic views of the Falls through floor-to-ceiling windows or outdoor dining decks.

1901 Packard Race Car
Donated by the Irr Foundation

World renowned collection to expand to a 13 acre campus! A new 35,000 sq. ft. addition summer 2022. Pierce Arrow, Thomas Flyer, world famous Corvettes, muscle cars, vintage cycle collection, motorcycles, carriages, 1900 Jello wagon, electric vehicles, hood ornaments, Trico display, 1936 Pierce Brunn Town Car, Ford GT Steve McQueen Tribute Car, home of The Womens' Transportation Hall of Fame & much more!

NYS Non-Profit 501 (c)(3)

Beer Garden—carved from the ruins of former grain silos—is hard to resist. Further up the river, **Silo City** hosts poetry readings, theatrical performances, concerts and a host of other seasonal events, sometimes within the incredible acoustics of the cavernous silos. And **Duende**, a bar built in the shadow of the grain silos, is the perfect spot to wet your whistle after a day of exploring.

If biking is always on your family’s fun-things-to-do list, grab some bikes from **Reddy Bikeshare** and cross the Buffalo River on the **Queen City Bike Ferry**. You’ll find great walking and biking trails along the shoreline of the **Outer Harbor**, from the **1833 Buffalo Lighthouse** to **Buffalo Harbor State Park**. If your timing is right, you can watch the sunset over Lake Erie at the wind sculpture overlook at **Wilkeson Pointe**.

Winter Whoas!

Winter woes? More like winter whoas! Thousands of locals and visitors spend hours each winter on the waterfront at **Ice at Canalside**. This 35,000-square-foot ice rink—one of the largest in the Northeast—features skating, curling, and ice bumper cars. But the scene-stealer may be the **Ice Bikes of Buffalo**—manufactured right in Western New York and featuring a stainless-steel frame with blades that allows anyone from 8 to 80 to seamlessly glide and pedal along the ice. The Ice at Canalside is built on replica canals that were once part of the **Erie Canal**. Experience a true past-meets-present moment, riding your Buffalo-made ice bike on a recreated portion of the canal.

And be sure to check out **Southern Tier Brewing Company** at HarborCenter after you’ve worked up an appetite—no matter what time of the year you’re visiting. This two-story brewpub features locally-brewed craft beer along with beer-inspired main courses and appetizers—the latest addition to a waterfront that has been transformed from desolation to destination. | 

DRINKS 5 TO TRY

Erin Dewan is a bartender at Fresh Catch Poke and the Galley Lounge in downtown Buffalo.

WAXLIGHT BAR À VIN

Sommeliers, Jess Railey and Tony Rials, have put together a truly special wine program. Although they are considered a wine bar—don’t sleep on the cocktails. Rials puts an emphasis on using flavor profiles from wine as well as seasonal ingredients from the kitchen to create delicious and beautiful drinks. This place is a true experience.

27 Chandler Street, Buffalo
waxlightbaravin.com

LUCKY DAY WHISKEY BAR

The place for whiskey in Buffalo. Enjoy one of the best old fashioned in the city or try one of their own creations. Don’t like whiskey? I bet bar managers Gavin Neaf and Frank Moynihan could find something tailored to change your mind. They also have other spirits/cordials to enjoy, as well as 20 beers on tap.

320 Pearl Street, Buffalo
luckydaywhiskeybar.com

ALLEN BURGER VENTURE

One of my favorite places to grab a beer and a burger. They have a wide selection of craft drafts, cans and bottles ranging anywhere from European to local—they know how to cherry pick the winners. Great whiskey selection as well, with great pricing!

175 Allen Street, Buffalo
allenburgerventure.com

THE DAPPER GOOSE

Another special wine/cocktail program, with a manageable selection of really great grapes and spirits. The space is cozy and intimate—pair your drink with a snack or entree, you can’t go wrong with the food! This is a great date spot.

491 Amherst Street, Buffalo
thedappergoose.com

BILLY CLUB

I go here for any occasion, perfect for a sit-down dinner or a night at the bar. The food, wine selection and cocktails are always on point. The atmosphere is minimal/chic but way too comfortable for my own good—set me up with a cheese board and Negroni, and it’s hard to get rid of me!

228 Allen, Buffalo
billyclubbuffalo.com

play into *possibilities*

Located in the heart of Buffalo, at Canalside, **Explore & More - The Ralph C. Wilson, Jr. Children's Museum** offers children & families four floors to unlock the limitless potential in all of us.

50th Annual Shootout Classic Hotel's

Hotels – Hotels are assigned on a first come first serve bases. We provide many choices when it comes to your weekend hotel accommodations. Pricing varies; however, we do not let price get in the way of having fun. All our hotels offer comparable features such as spacious rooms, a restaurant, (informal dining), cocktail lounge, an indoor pool, video games, and hospitality suites

As stated on our website, all hotels have a **2-night minimum stay policy**. Their cancellation policies vary so it is advised that you check with the hotel that you have been assigned to. Also, our agreement with the hotels is that all out of town teams participating in the tournament must use their accommodations.

Please reach out to your assigned hotel immediately and coordinately the booking process moving forward. Contact information is listed below. They will help you facilitate the process moving forward. Parents must provide their personal credit card information ASAP or risk losing room reservation.

50th Annual Shootout Classic Tournament Format

GROUP 1, & 9

Five teams in total makeup one division. Each team plays four regular games. Based on these games, 1st and 2nd place teams advance to the championship. To better understand Advancement to Championship Game, see Tiebreaking Rules below.

GROUP 2, 3,10, 11, &15

Eight teams in total, makeup two divisions, A and B. The four teams in each of the two divisions play three games within their division. The top two teams from each division advance to the semi-finals. The semi-final games will have the 1st place team from A vs. 2nd place team from B and the 2nd place team from A vs. the 1st place team from B. The winners of the semi-final games advance to the championship game. The bottom two teams from each division advance to a consolation game. The consolation games will have the 3rd place team from A vs. 3rd place team from B and the 4th place team from A vs. the 4th place team from B. To better understand Advancement to Championship Game, see Tiebreaking Rules below.

GROUP 4, & 12

Four teams in total makeup one division. Each team playing the other three teams. The top two teams advance to the finals after each team completes its three regular tournament games. The 3rd and 4th place team will advance to a consolation final. To better understand Advancement to Championship Game, see Tiebreaking Rules below.

GROUP 5, 7, 8, 13 & 14

Six teams in total makeup one division. Each team will play three games. The top four teams advance to the semi-finals after each team completes its three regular tournament games. The semi-final games will have the 1st place team vs. 4th place team and 2nd place team vs. 3rd place team. The 5th and 6th place team will advance to a consolation game. The winners of the semi-final games advance to the championship game. *To better understand Advancement to Championship Game, see Tiebreaking Rules below.*

GROUP 6

Seven teams in total makeup one division. Each team plays four round robin games. The top two teams advance to the Championship game. To better understand Advancement to Championship Game, see Tiebreaking Rules below.

Tiebreaking Rules for Advancement to the Semi-Finals

Tiebreaking rules apply since semi-final placement cannot always be determined by points alone. The following criteria are used to determine how a team advances into the semi-finals:

- 1) Teams receive points; a win is 2 points, a tie is 1 point, a loss is 0 points.
- 2) Winner of head-to-head regular tournament game
- 3) Least goals scored against each team during the regular tournament games
- 4) Goals for in the regular tournament games
- 5) First goal of head-to-head regular tournament game
- 6) Least penalty minutes taken in the regular tournament games
- 7) A rule will be made by tournament staff.

Game Forfeits- Game forfeits do to a no show will automatically result in a 1 to 0 score. The team causing the forfeit will automatically be assessed the loss. Games ending prematurely due to a referee decision, or team leaving the ice will automatically end with a loss being assessed to the team causing the forfeit and a win to their opponent regardless of the score. If the opponent of the forfeiting team had been winning then the score will remain as is, if the opponent was losing then the score will revert to a 1-0 score. Teams causing forfeits under these circumstances will not be eligible for semifinal or championship games.

Coaches, please understand that under USA Hockey regulations if a team causes a forfeit by leaving the ice prematurely the Head Coach is automatically assessed a Match Penalty. Match Penalties require a hearing with a USA Hockey Official. The purpose of the hearing is to assess the severity of the infraction, and delivery a penalty for such actions typically in the form of a multiple game suspension.

Tiebreaking Rules for Advancement to the Semi-Finals (Example)-When teams are tied in points, the tiebreaking rules are applied to determine first, second, third, etc. Each seed (1st, 2nd, 3rd, 4th, etc.) is determined one at a time starting with the 1st seed. Once the 1st seed is determined we repeat the process with the remaining teams starting with head-to-head. If three teams are tied and team 1 beats team 2, and team 3 did not play either team 1 or 2, team 2 would be removed from that round of seeding, and team 1 and 3 would still be considered tied. We then use least goals against to break the tie between team 1 and 3. During the next seeding round team 2 would be reconsidered for placement. Here is another example, three teams are tied with four points. In head-to-head play team 1 beats team 2, and team 3 tied both team 1 and team 2, and team 1 has 8 goals against, team 2 has 10, and team 3 has 9. Under this scenario, all three teams are tied with 4 points apiece (Rule 1), so head-to-head (Rule 2) is applied. Since team 1 beat team 2, team 2 is eliminated from that round of seeding and team 1 and 3 remain tied. To break the tie, we move to least goals against (Rule 3). Since team 1 has 8 goals against vs. team 3 who has 9, team 1 would take the 1st seed. For the 2nd seed we restart the process without team 1, leaving team 2 and 3 tied. Since head-to-head does not apply, we move to least goals against. Since team 2 has 10 and team 3 has 9 goals against, team 3 wins the 2nd seed. We repeat the process until all teams are seeded or eliminated.

Tiebreaking Rules for Semi-Final and Finals Games

Semi-final and final games tiebreakers are decided by overtime periods structured as follows:

Period	Players	Time
4	Five on Five	4 minutes running time with goalies
5	Four on Four	3 minutes running time with goalies
6	Three on Three	2 minutes running time with goalies
7-10	Repeat periods 4-6 until there is a winner	each period is two minutes without goalies

Penalties given during the overtime periods are one minute in duration. The team receiving a penalty will lose one man during the five on five and four on four. For the three on three the opposing team will gain one man when a penalty occurs

50th Annual Shootout Classic Tournament Rules

Tournament Rules – USA Hockey sanctions this tournament. Consequently, USA Hockey rules apply unless otherwise noted. Coaches need to speak to a tournament director for specific tournament rules and to referees for the rules of play under USA Hockey. The following are tournament specific rules:

General Rules of the tournament

- o All teams must be ready fifteen minutes prior to their schedule game time.
- o All teams receive a two-minute warm-up period.
- o **Groups 1, 2, & 3 Tyke**, Minor Novice/Mite, Major Novice/Mite follow the ADM Model. Games are played half ice rather than cross ice, meaning two games played simultaneously from the red line to the goal lines. There will be two 24-minute running time periods. Each team will be allowed 4 players and a goalie. The scorekeeper will blow the horn every two minutes to signal a line change which will be made on the fly rather than stopping the play. To assist with score collaboration, a parent scorekeeper is needed for each team and will be provided a mini scoresheet to mark goals, this eliminates any question as to whether a goal was scored or not. Parent scorekeepers must convene at the scorebox area and will observe from the penalty box their respective game. We will use a blue puck with mini nets. All penalties expire at the end of each shift. The scorekeeper will maintain the game score, but not the players that scores or assist the goal. To preserve time that information needs to be maintained by the coach during the games. **(See page 47 for more details).**
- o **Groups 4, 5, & 6 Games** are 10-minute stop time periods. However, if a team leads by five or more goals the third period of play becomes running time. Stop time resume any time the goal differential changes to less than three goals. If the tournament is behind schedule the third period of play may be running time, at the Tournament director's discretion.
- o **Groups 7, 8, 9, 10, 11, 12 & 13 Games** are 12-minute stop time periods. However, if a team leads by five or more goals the third period of play becomes running time. Stop time resume any time the goal differential changes to less than three goals. If the tournament is behind schedule the third period of play may be running time, at the Tournament director's discretion.
- o **Groups 14, & 15 Games** are 13–13–13-minute stop time periods. However, if a team leads by five or more goals the third period of play becomes running time. Stop time resume any time the goal differential changes to less than three goals. If the tournament is behind schedule the third period of play may be running time, at the Tournament director's discretion.
- o **All minor penalties are 1.5 minutes. Major penalties are 5 minutes and Misconduct penalties are 10 minutes. Any game misconducts called against a player/coach during the tournament will be official. The player/coach must serve the full penalty.**
- o Each team receives one, one-minute time out during the 3rd period of each game.
- o The home team chooses the jersey color to wear for the game. They must inform the visiting team of their choice.
- o Each team is responsible for obtaining and completing the game sheet. The first team arriving to the rink obtains the scoresheet from the tournament officials at the front gate. Once completed, they will provide the other team the game sheet to complete. This team then submits the scoresheet to the scorekeeper.
- o **All teams must provide a set of car keys to obtain a Locker room key. Teams must clean their locker rooms before retrieving their car keys. Damages are paid by the responsible team to the rink.**
- o Only coaches can present disputes to an official of the tournament
- o Any team not staying at one of the host hotel's, except for the local Western New York teams are disqualified from participating in the semi-final and final games of the tournament. The next place team will assume your placement.
- o **NO TOLERANCE-** At the Tournament Director's, or Referee's discretion, any player, coach or parent involved in any type of abusive behavior at our facilities whether it be a rink, or hotel property could result in the team's expulsion from the tournament. Abusive behavior includes fighting, vulgar language, property damage, etc...
Each team's coach is responsible for his parents. Make sure that the parents understand that this rule will be strictly enforced.

Summary of USA Hockey Officiating Rules

All USA Hockey Sanctioned tournaments are governed by the same rules outline below. If a USA Hockey Sanctioned Tournament does not abide by these rules, then they are in violation and will lose their sanctioning privileges. Most if not all Canada hockey leagues do not allow their teams to participate in NON-USA Hockey Sanctioned Tournaments since USA Hockey Sanctioned Tournaments provide insurance to cover catastrophic injuries that may occur during tournament play. If a tournament does not abide by all USA Hockey Rules, then one must call into question the legitimacy of their USA Hockey Sanctioning.

No Checking – (Applies to Groups 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 14, & 15) Applies all the same rules as listed in the Body Checking section but with a heavier emphasis on eliminating Body Checking as defined by **Hockey Canada** which states:

“An attempt by a player to gain an advantage on the opponent with the deliberate use of the body. Body-checking results when a player makes deliberate contact with an opposing player with opposite directional force, when a player leaves their skating lane to make contact, or when a player extends an arm, shoulder, or hip to maximize physical contact after angling an opponent”.

Body Checking – (Applies to Groups 13)

Through the standard of rules enforcement, our game will continue to allow the opportunity for improved skill development and a more positive hockey environment for all participants. This initiative will result in greater emphasis on skating, puck possession and the proper use of the body to establish position and legally gain a competitive advantage.

The goal of the enforcement standard is to create an environment that enhances player skill development by reducing intimidating infractions designed to punish the opponent. This standard is designed to improve the proper skill of legal body checking or competitive contact at all levels of play and will not remove the physical component from the game. A player using a body check or competitive contact/body position (competitive contact categories) to gain a competitive advantage over the opponent should not be penalized as long as it is performed within the rules. The focus of the body check must be to gain possession of the puck.

The principles of this enforcement standard include the following:

- The purpose of a body check is to gain possession of the puck.
- Proper body checking technique starts with stick on puck, therefore the stick blade of the player delivering the check must be below the knees.
- Only the trunk (hips to shoulders) of the body shall be used to deliver a body check.
- The check must be delivered to the trunk (hips to shoulders) and directly from in front or the side of the opponent.
- Players who use their physical skills and/or anticipation and have a positional advantage shall not lose that advantage provided they physically engage with the opponent within the rules.
- Players will be held accountable for acts of an intimidating or dangerous nature.
- The onus is on the player delivering the check to avoid placing a vulnerable or defenseless opponent in danger of potential injury. Subsequently, any avoidable contact is subject to a roughing penalty, at minimum, if there is not a play for the puck.

Enforcement Standard – These penalties are to be called with very strict enforcement.

Body Checking (Competitive Contact Categories)

A player, in summary, could be penalized for the examples below under the new checking standards. Examples include:

- Making intentional physical contact with an opponent with no effort to legally play the puck. (Roughing)
- Using overt hip, shoulder or forearm contact with the opponent to physically force them off the puck. (Roughing)
- Physically impeding the progress of the opponent with hips, shoulders or torso without establishing competitive contact and making no attempt to gain possession of the puck. (Roughing/Interference)

Boarding

A player cannot commit any infraction, including body checking, for the purpose of **intimidation or punishment** that causes their opponent to go dangerously or excessively into the boards. Examples include:

- Accelerating through the check to a player who is in a vulnerable or defenseless position off of the boards resulting in the opponent going dangerously into the boards.
- Driving an opponent excessively into the boards with **no intent** to gain possession of the puck.
- Any other infraction (tripping, cross-checking, charging etc.) that causes the opponent to go dangerously and excessively into the boards.

Charging

A player cannot take more than two strides or travel an excessive distance to accelerate through a body check for the purpose of punishing the opponent. Examples include:

- Running or jumping into the opponent to deliver a check.
- Accelerating through a check for the purpose of punishing the opponent.
- Skating a great distance for the purpose of delivering a check with excessive force.

Checking from Behind

A player cannot deliver a body check to an opponent directly from behind, or diagonally from behind. The onus is on the player delivering the check to not hit from behind. Examples include:

- Body checking or pushing an opponent from behind directly into the boards or goal frame or in open ice.

Cross-Checking

A player cannot use the shaft of the stick between the two hands to forcefully check an opponent with no portion of the stick blade on the ice. Examples include:

- When a player in front of the goal uses the shaft of the stick and extension of the arms to contact an opponent in a dangerous manner to create space.
- When a player uses the shaft of the stick and extension of the arms to contact an opponent in a dangerous manner who is protecting the puck along the boards.

Head Contact

A player cannot contact an opponent in the head, face or neck, including with the stick or any part of the players body or equipment. The onus is on the player delivering the check, regardless as to size differential, to not make contact in the head/ neck area of the opponent. Examples include:

- When a body check is delivered with any part of the body that makes direct contact with the head or neck area.
- Use of the forearm or hands to deliver a check to the head or neck area of the opponent.

Roughing

A player cannot use the hands, stick or extension of the arms to body check an opponent or deliver a late body check to a player who is not in control of the puck. Examples include:

- Intentionally physically engaging with an opponent who does not have possession or control of the puck or when there is no effort to gain possession of the puck.
- Delivering a late check to a player who has already relinquished control of the puck by a pass or shot. This is oftentimes referred to as “finishing” the check.
- Any avoidable contact after the whistle shall be penalized strictly, including scrum situations around the goal or along the boards. Officials are instructed to assess an additional penalty to those players acting as the aggressor or who instigates any contact after the whistle.

Summary

All USA Hockey members must demonstrate awareness and support for the application, spirit and the respect of the rules for continued improvement in the game of hockey. At the same time, it is important to remember that:

- A player is entitled to **use proper body position and competitive contact in all age classifications** in order to gain a competitive advantage.
- Players are allowed to physically engage with an opponent using their strength and balance as long as their primary focus is to **gain possession of the puck**.
- In classification where body checking is allowed, the focus of the body check must be to gain possession of the puck.
- Remember, proper body checking technique **starts with stick on puck, therefore the stick blade of the player delivering the check must be below the knees**.

Off-Sides

- If a player is offsides, the whistle will be blown immediately. If the off-side is accidental then face-off will occur just outside the offensive zone blue line, intentional off-sides will be whistled down with the face-off occurring at center ice or in the violating teams' defensive zone, similar to an icing call. This is the referee's discretion.

Redline

- The red line is not recognized for two- line passes. For icing the puck, a player must achieve the red line before dumping the puck or icing will be called. This now applies to penalty kills as well, if a player does not cross the red line before dumping the puck the play, will be whistled down with a face-off occurring in the violating teams' defensive zone.

Goal Crease

- If an offensive player skates through the opposing teams crease the play is automatically whistled down, with the face-off occurring outside the offensive zone. (Rule 625 b)

Puck Rule

- Mite/Novice must use Blue Pucks rather than the traditional Black Puck. The Blue Puck is lighter and can be managed better by the younger players. To all Canadian Teams, it would be wise to incorporate the use of blue pucks in a few of your practices prior to the tournament.

No Tolerance

- At the referee's discretion, a two-minute minor (1.5 minute minor for this tournament) may be assessed to any player or coach who uses offensive language, or antagonistic gestures towards a referee, USA Hockey Official, player, or coach.

Misconducts

- A game misconduct will result in the suspension of that player for the remainder of the game and the next game. A game misconduct penalty shall also be imposed on any player who is the first to intervene in an altercation then in progress.
- Any player that gets 4 or more penalties in a game will result in the suspension of that player in that game and the following game
- Any coach whose team incurs 12 or more penalties in one game will result in the suspension of that coach in the following game. The coach may watch the game from the stands but may not communicate with the team in any manner. Failure to abide by these will result in the expulsion of the coach from the tournament and the rink.
- Games involving a Match (formerly known as "Gross") penalty will result in an immediate suspension and expulsion of that person from the tournament. Further disciplinary actions will be taken against the coach, team or player. USA hockey will be notified along with the parent organization. **Please understand that under USA Hockey regulations if a team causes a forfeit by leaving the ice and ending the game prematurely the Head Coach is automatically assessed a Match Penalty. The Head Coach is not allowed to be on the bench until a hearing is performed with a USA Hockey Official.**

Equipment – Canadian Teams Playing in the United States

- Canadian players must wear the following Hockey Canada mandatory equipment:
 1. **Hockey Skates**
 2. **CSA Approved Helmet**
 3. **CSA Approved Face Mask (with color-coded CHA sticker)**
 - (Full mask - Types 1 (white) or 5 (green) for **player** over age 10.)
 - (Full mask - Types 2 (orange) or 6 (red) for **player** age 10 or younger.)
 - (Full mask - Type 3 (blue) for **goalkeeper**, any age.)
 - (Minimum of a visor - Type 4 (yellow) for Junior and Senior age classifications. Note that a Type 4 visor or a full-face mask is optional for male adult recreational. If a visor is worn by a male adult recreational player, it must be type 4.)
 4. **BNQ Approved Throat Protector** (For players in all Female and Youth classifications)

NOTE: HC rules do not mandate the wearing of a mouthpiece at any classification

USA Hockey Rules Changes for 2021-25

Body checking standards with emphasis on player safety as explained in detail above.

601(e.2) Abuse of Officials and Other Misconduct - Changes language for racial/ethnic slur to include any language that is “offensive, hateful or discriminatory in nature”.

612(b) Face-Off Locations - All face-offs must be conducted at one of the nine designated face-off spots.

624(b) Icing the Puck - Eliminate the ability of a shorthanded team to legally ice the puck for all classifications except for High School and Sr. Hockey play.

USA HOCKEY & NYSAHA AMERICAN DEVELOPMENT MODEL

Tournament Director

We will be setting up a divider on Hyde Park Rink 1 and Riverworks Curling. We will have 2 games playing simultaneously. Resurfacing between games will be at the tournament director's discretion. Each team must provide a parent scorekeeper who will collaborate with the opponent as to goals scored, remember, referees are only pointing that a goal is scored, and this will assure accuracy of the final score which will be verified by the Tournament Scorekeeper at the conclusion of the game. Parent scorekeepers are asked to convene at the score box and will be provided a mini scoresheet to assist with the tallying.

Scorekeeper, and referee

- Only faceoff to start each half. On goals puck is placed behind net and other team gets puck while scoring team retreats to half ice. When buzzer is blown puck is spotted evenly between teams near far boards for play to continue.
- Nets + BLUE PUCK 3X4• Goal nets placed for half ice games are half the distance from end board's v Bumpers or Mini Boards placed along the red centerline.
- Teams share benches and go out different doors for half ice or sit on bumpers for cross ice. TEAMS..... 4 X 4's + goalie.
- REFEREES... officials no coaches will officiate or be on the ice.
- CLOCK..... 2 x 24-minute running time. 2:00 shifts. The scorekeeper will maintain the game score, but not the players that scores or assist the goal. To preserve time that information needs to be maintained by the coach during the games.
- PENALTIES..... play is not stopped, but player will be sent to his or her bench and informed of the infraction. The penalized team will play 4 v3 until next buzzer. Child with penalty will go back on his or her next shift. No Penalty SHOTS No face off, officials will keep play going

During our tournament we **do not allow** coaches to be on the ice during game play.
